### Career Services:

A diverse team of professionals with rich experience in Corporate, Recruitment, Placements and Entrepreneurial Pursuits drives the Careers Services Department (CSD) of Unitedworld Institute of Design.

is responsible to deliver a diverse range of services and programs to empower students in career exploration, experiential learning and professional development. We provide assistance in finding internships and work closely with employers to facilitate them with opportunities to connect and recruit our students and alumni.

### Internships

Students will have opportunities to secure industry-leading internships in their field. They will also be introduced to career opportunities through the university's vast network of alumni and companies who hire our graduates.

### Placements

CSD works closely with employers to facilitate them with opportunities to connect and recruit our students and alumni. The team proactively and collectively builds partnerships with employers to facilitate students with meaningful career opportunities.

### Workshops

We offer workshops where our students learn necessary skills to successfully enter the job market, and learn how to effectively present and conduct themselves for professional success.

### Portfolio Reviews

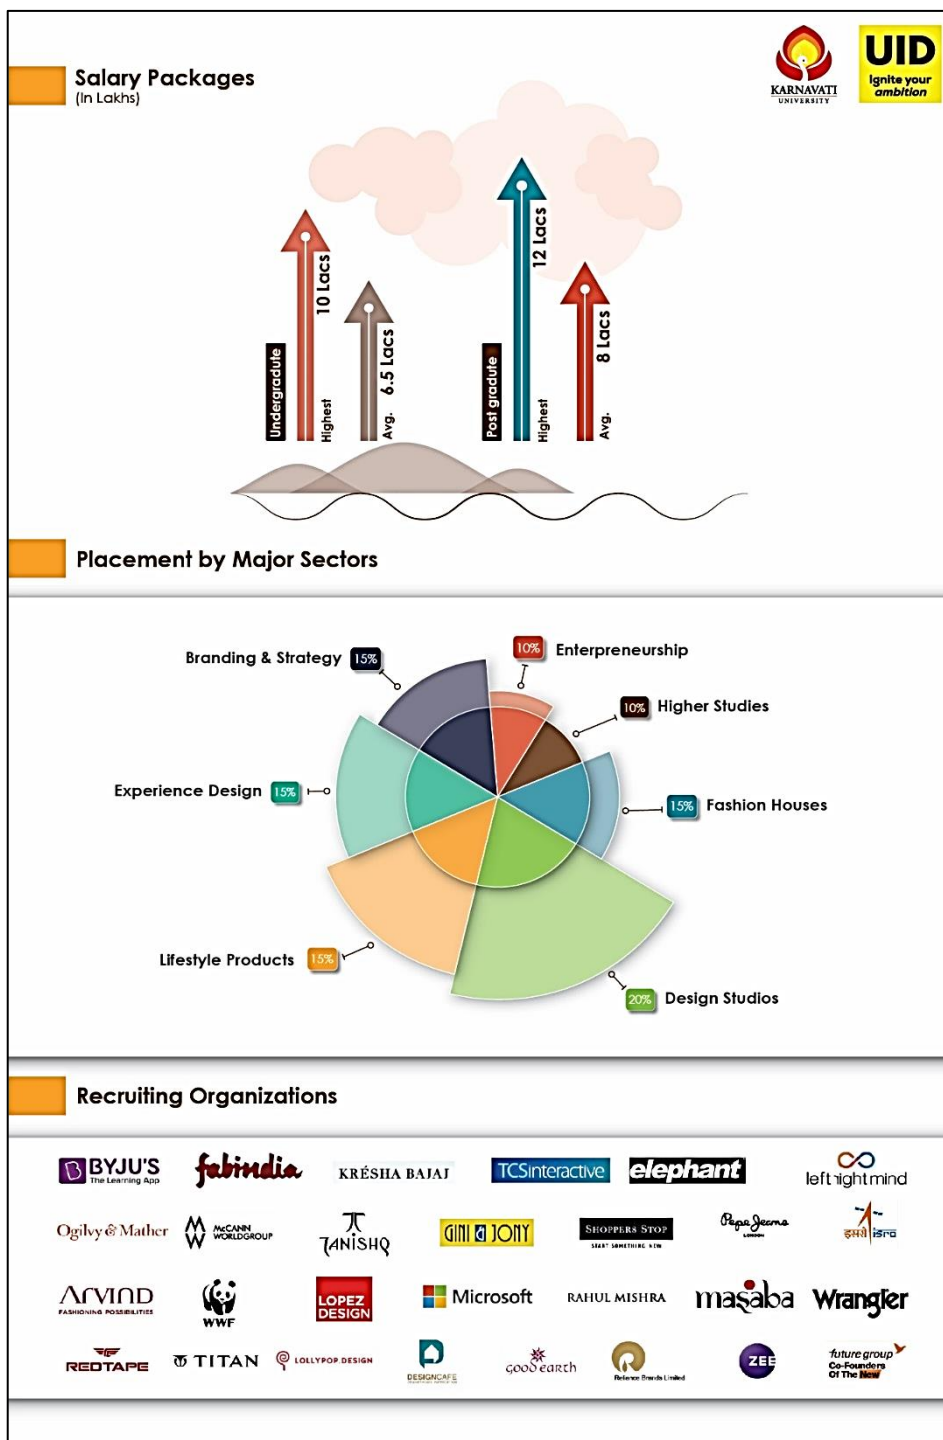

Portfolio reviews by industry professionals mean getting an opinion about how the work needs to be presented or put together in the first place. More importantly, the student will get a feedback in advance about his/her portfolio would be perceived hence providing an opportunity to fix it.

## The Epitome Initiative

An initiative by Karnavati University for all its constituent colleges to provide a meaningful exit to all its students.

While our academicians are occupied helping the students acquire latest skills & hone the existing ones, the Career Services Department under this umbrella 'EPITOME' works extensively towards skill development, internships, workshops by industry experts etc. with the only focus of adding value to a student's career.

## Student Testimonials:

1. **Charubala Singh** : (Photograph Available)  
Fashion Design - M.Des Student (2014-18)  
Current Employer: Fab India

2 years' experience at UID while pursuing M.Design was enriching and fulfilling. The institute offers great learning environment, experienced faculty, intensive work modules that helps in overall development of the students. Besides, focusing on curriculum, it also provides great placement assistance through its dedicated career services department.

2. **Rohit Kumar** : (Photograph Available)  
Visual Communication – B.Des Student (2015-19)  
Placed with TCS Interactive

My Dream to be a part of one of the best MNCs was fulfilled at UID. My skills, knowledge and creativity were honed by UID team and supported by its infrastructure and laboratories. Career Services Department worked with me in being industry ready and contributed significantly to my dream.

3. **Jayashree Dhamija** : (Photograph Available)  
Visual Communication – B.Des Student (2015-19)  
Placed with TATA Elxsi India

Securing placement with TATA Elxsi was a dream come true. **UID** prepared me for a challenging career by sharpening my skills and offering extensive work inputs through internal and external resources. Career services department works as icing on the cake that works for getting the right internship and right placement.

4. **Drisha Roy** : (Photograph Available)  
Fashion Design – B.Des Student (2015-19)

UID, as a design school offers extensive opportunity to its students to enhance their learning experience and knowledge through workshops and industry interaction. Not only this, students are further supported by the career service department that prepares them for the industry. CSD provides valuable industry related inputs like soft skills and help students in securing internship in reputed organizations.

5. **Gaganpreet Singh**: (Photograph Available)  
Product Design – M.Des Student (2017-19)  
Placed with TCS Interactive

The multicultural environment of students across the nation made me choose Karnavati University (UID). I say anyone will be able to find himself in a global relationship with students and friends of different states studying in UID. I have now been provided with an amazing placement opportunity to work with one of the best Interactive Companies by the dynamic team of Career Services

6. **Nupur Lodha** : (Photograph Available)  
Product Design – B.Des Student (2015-19)  
Placed with DOMS Industries Private Limited

It was great to study at UID. I felt that I obtained enough support from the UID faculties & Career Services Department. UID has an advanced education system and I found that the teaching style is modern, demanded students to be independent, and assisted me a lot as it links with my current job. Career Services Department helped me get industry ready with trainings that helped me adapt things quickly at my workplace.

7. **Bhumika Sharma** : (Photograph Available)  
Interior Design - B.Des Student (2015-19)  
Placed with Design Café

I found a very caring and homely environment at the university where the faculty staff and the people in the university are exceptionally supportive. I am grateful to all my UID professors, our career services team who lead us to the wonderful employment opportunity, as well as the other university staff. Apart from my study, we have an opportunity to be involved

with various community groups and activities which adds value to my academic and professional skills to yield good outcomes.

- 8. Vijita Kapoor :** (Photograph Available)  
Interior Design - B.Des Student (2015-19)  
Placed with Design Café

I am grateful to UID - both the faculties and the Career Services Department. They've made several efforts to ensure students land with their desired aspirations. UID focuses on grooming us for placements via Industry Engagements and Campus to Corporate interventions. This helped me at several stages to communicate and negotiate during my hiring process. UID provides a great platform for skills enhancement and to get a great learning experience in alignment with the Industry & current Market.

Lifestyle Accessories - - B.Des Student (2015-19)  
Placed with Laxmi Export House

My four years at UID have been excellent and a memory to cherish for a lifetime. The years spent here have been full of learning opportunities, co-curricular activities and sometimes with academic grind that one has to go through. The industry exposure given by career services department makes you smarter aspirant to face the challenges of the corporate world.
