

Exam Admit Card

Course	B.SC. (HONS.)	
Examination	Sem-I / January 2022	
Enrollment Number	20210701001	
Candidate Name	DEV THACKER	
College	Unitedworld School of Computational Intelligence	
Examination Venue : Online		

Appearing Theory Subject Details

Paper Name	
Communicative English	22-Jan-2022 - 10:00 AM TO 12:30 PM
Professional Ethics	24-Jan-2022 - 10:00 AM TO 12:30 PM
Introduction to Industry 4.0	25-Jan-2022 - 10:00 AM TO 12:30 PM
Problem Solving and Programming using C	27-Jan-2022 - 10:00 AM TO 12:30 PM
Computational Statistics	28-Jan-2022 - 10:00 AM TO 12:30 PM
Digital Computer Fundamentals	29-Jan-2022 - 10:00 AM TO 12:30 PM
Applied Mathematics	31-Jan-2022 - 10:00 AM TO 12:30 PM

*** Candidate must verify the Exam Date and time with the exam Schedule.**

(I have read the instructions printed overleaf and agree to follow them)

Candidate's Signature

Controller of Examination

Instruction for student as Note :

1. This examination will be an online open-book timed exam. Students are allowed to access notes and online resources while they take the exam from their homes. The timed nature of the exam means that students still need to know the essentials in order to complete the exam within the time available.
2. Please note that the main marks will be awarded for a demonstration of your own understanding of the topic and your ability to construct an organized argument and NOT on your ability to copy quotes from the book/web.
3. Students will receive question paper in word (.docx) format from the concerned email ID 15 minutes before exam. Students shall type their responses/answers in the word (.docx) file sent to them.
4. Students shall write their name and enrolment number on top of the word (.docx) file.
5. On completion of paper, students will be given additional 15 minutes to send the answer book back to the concerned email ID

Candidate's Signature

Controller of Examination

Instruction for student as Note :

1. This examination will be an online open-book timed exam. Students are allowed to access notes and online resources while they take the exam from their homes. The timed nature of the exam means that students still need to know the essentials in order to complete the exam within the time available.
2. Please note that the main marks will be awarded for a demonstration of your own understanding of the topic and your ability to construct an organized argument and NOT on your ability to copy quotes from the book/web.
3. Students will receive question paper in word (.docx) format from the concerned email ID 15 minutes before exam. Students shall type their responses/answers in the word (.docx) file sent to them.
4. Students shall write their name and enrolment number on top of the word (.docx) file.
5. On completion of paper, students will be given additional 15 minutes to send the answer book back to the concerned email ID

Computational Statistics	28-Jan-2022 - 10:00 AM TO 12:30 PM
Digital Computer Fundamentals	29-Jan-2022 - 10:00 AM TO 12:30 PM
Applied Mathematics	31-Jan-2022 - 10:00 AM TO 12:30 PM

* Candidate must verify the Exam Date and time with the exam Schedule.

(I have read the instructions printed overleaf and agree to follow them)

Candidate's Signature

Controller of Examination

Instruction for student as Note :

1. This examination will be an online open-book timed exam. Students are allowed to access notes and online resources while they take the exam from their homes. The timed nature of the exam means that students still need to know the essentials in order to complete the exam within the time available.
2. Please note that the main marks will be awarded for a demonstration of your own understanding of the topic and your ability to construct an organized argument and NOT on your ability to copy quotes from the book/web.
3. Students will receive question paper in word (.docx) format from the concerned email ID 15 minutes before exam. Students shall type their responses/answers in the word (.docx) file sent to them.
4. Students shall write their name and enrolment number on top of the word (.docx) file.
5. On completion of paper, students will be given additional 15 minutes to send the answer book back to the concerned email ID
