Instruction for student as Note :

- 1.This examination will be an online open-book timed exam. Students are allowed to access notes and online resources while they take the exam from their homes. The timed nature of the exam means that students still need to know the essentials in order to complete the exam within the time available.
2. Please note that the main marks will be awarded for a demonstration of your own understanding of the topic and your ability to construct an organized argument and NOT on your ability to copy quotes from the book/web.
3. Students will receive question paper in word (.docx) format from the concerned email ID mentioned above? 15 minutes before exam. Students shall type their responses/answers in the word (.docx) file sent to them.
4. Students shall write their name and enrolment number on top of the word (.docx) file.
5. On completion of paper, students will be given additional 30 minutes to send the answer book back to the concerned email ID
