Activities conducted:

Mock Group Discussion, Mock PI

Outcome:

Feedback was given to students and students were able to identify the Improvement areas.

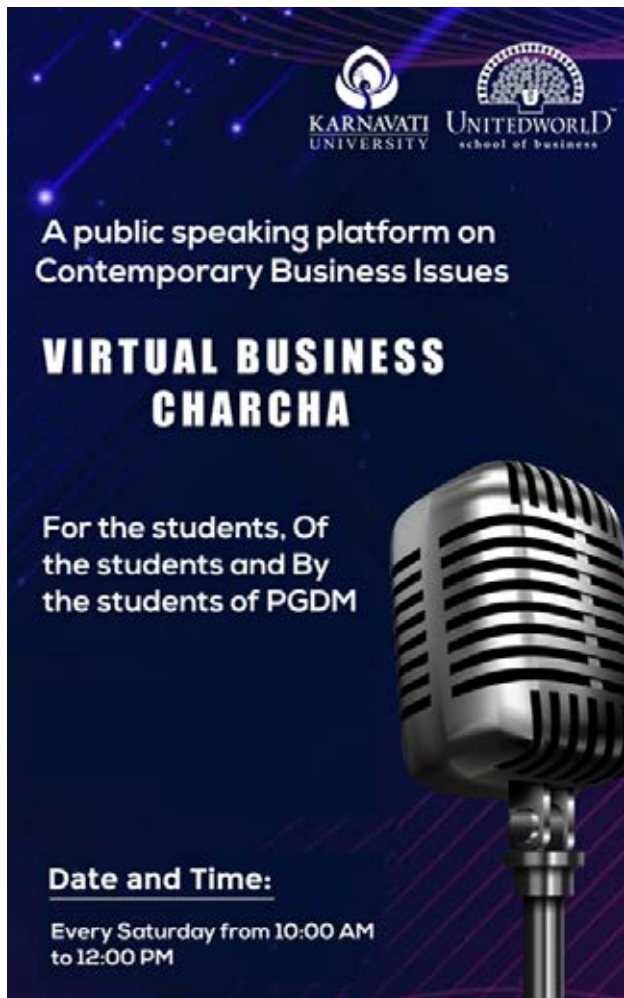

DIGITAL MANAGEMENT CONCLAVE

VIRTUAL BUSINESS CHARCHA - 2021

With an objective to keep management students abreast with current Business environment series of Virtual sessions were conducted for PGDM students of Unitedworld School of Business, every weekend in 2021 wherein the students debated on contemporary Business news and issues. Students pro-actively participated in the sessions. At the end of the exercise, students became more confident and made it a habit to be aware of the Business and economic environment in the country.

KARNAVATI UNIVERSITY was the academic partner to Digital Management Conclave 2021, GESIA (Ahmedabad Chapter) on "Powering a secure Digital Future on the Cloud October 9th, 2021

GESIA's Fourth Edition of Annually held Digital Management Conclave's - "Powering a secure Digital Future on the Cloud" was held on Saturday, October 9, 2021 via virtual platform. The event named DMC 2021 was supported by Department of Science & Technology, Government of Gujarat, and Gujarat Informatics Ltd., (a Government of Gujarat Undertaking) as Government Partner. While NASSCOM and ISODA are National Partner.

DMC 2021 had multiple knowledge dissipation sessions from Non-IT Industry CIOs/CTOs/CXOs. There were dedicated parallel tracks for People Management and Education Technology. DMC 2021 also had highly informative, interactive, and pleasant user experience of Virtual one to one networking meeting room for participants, virtual exhibitor stalls with very comprehensive details of exhibited solutions and products, etc.

DMC 2021 witnessed best experts from ICT Industry sharing their insights on important aspects of how Digitalization and Cloud Technologies can power Business Continuity in Pandemic Situation. These Insights were delivered categorically for CIOs/CTOs/CXOs from Non-IT Industry fraternity as well as Academia Centric IT Infrastructure fraternity.

DMC 2021 also had participation from innovative IT businesses and Start-ups of the Gujarat region. This brought Industry's real use cases of Digitalization and potential solutions on the same platform. DMC 2021 presented business opportunities to partner for co-creating solutions between Gujarat ICT community and Non-IT Industry's CIOs/CTOs/CXOs fraternity.

VIRTUAL SEMINAR – DESIGN THINKING

VIRTUAL SEMINAR/ WEBINAR ON - DESIGN THINKING DATED 1ST DEC'21

As a start to our association with FGI, we conducted a "Design Thinking" Webinar on 1st Dec'21. This online seminar was organized by the Federation of Gujarat Industries (FGI - Vadodara) as a part of our Industry outreach program where Karnavati University as an Academic Partner conducted the workshop. The online seminar got kick started by Introduction to UID and our USP by Col. Bose, followed by interesting session by our Hon'ble VC on Design Thinking, Prof. Hariesh - On design thinking system & strategic foresight & Prof. Rocio - On UX / UI Design and Human-Centred Design, as speakers.

INTRODUCTION OF FGI - VADODARA

The Federation of Gujarat Industries was founded in the year 1918, in the erstwhile Vadodara State, under the progressive rule of Shrimant Sayajirao Gaekwad, who encouraged social reforms and industrial development to modernize Vadodara. It is one of the oldest, active, socially conscious Industrial Associations in the country. The Federation of Gujarat Industries aimed at promoting, protecting, and projecting the interest of industries and catering to the needs of the community at large

The Federation thus had a tradition of Industrial Development which it has maintained throughout and continues to uphold the same. It has been working pro-actively in the overall interest of Business & Industry sector of Gujarat. The FGI continues to move forward with time, keeping pace with modernization & reforms, ushering progress and prosperity of the state's economy.

The Federation has blossomed into one of the Prime Industries' Association in Gujarat and its archives are full of events associated with the vast industrial growth in and around Vadodara on the golden corridor of Gujarat. In addition to its economic role for Trade & Industry, the FGI has been playing a significant role to fulfill its social obligations to the society at large. Achieving these goals on a wider scale, the Federation has set up useful institutions like Vadodara Management Association, Baroda Productivity Council, Co-operative Bank of Baroda Ltd., Federation Samaj Kalyan Trust, Baroda Citizens Council, etc. The Federation has also played a vital role in setting up of Forum of Federations, Chambers and Associations of Industries of Gujarat comprising of associations in an around Vadodara region to accept and resolve common issues of industries.

During our meeting with FGI office bearers, they have expressed their willingness to provide UID a platform to interact/interface with around 500+ members of its association in the areas of Product Design, Industrial Design, Interior Design, Automation & Motion Graphics Design, Graphic Design & Visual Communication and would like us to conduct the following listed events.

FGI FEDERATION OF GUJARAT INDUSTRIES
100 Years 2019 Celebrated

Webinar on DESIGN THINKING

Date: Wednesday, 1st December 2021
Time: 11:30 AM to 01:00 PM
Mode: Online

ABOUT THE WEBINAR
Design Thinking provides a solution-based approach to solving problems. It is a way of thinking and working as well as a collection of hands-on methods. Design Thinking is an iterative process in which we seek to understand the user, challenge assumptions, and redefine problems in an attempt to identify alternative strategies and solutions that might not be instantly apparent with our initial level of understanding. Design Thinking revolves around a deep interest in developing an understanding of the people for whom we're designing the products or services and helps us observe and develop empathy with the target user.

The webinar will help participants to know how Design Thinking is useful in tackling problems that are ill-defined or unknown, by re-framing the problem in human-centric ways, creating many ideas in brainstorming sessions, and adopting a hands-on approach in prototyping and testing. Participants will also gather views on why Design Thinking has been adopted by some of the world's leading brands, such as Apple, Google, Samsung and GE and why it is being taught at leading universities around the world.

TOPICS TO BE COVERED:

- Introduction to Design Thinking
- Design Thinking System and Strategic Foresight
- Introduction to Unitedworld Institute of Design (UID)
- UX/UI Design and Human-Centered Design

GUEST SPEAKERS

 Dr. A K S Suryavanshi Vice Chancellor Karnavati University	 Col. Surojit Bose Director, Academic Unitedworld Institute of Design (UID)	 Prof. Hariesh Shankaran Associate Director UID	 Prof. Rocio Fatas (Spain) Assistant Director UID

FILLING OF 156 IPS BY KARNAVATI UNIVERSITY, ALL IN A SINGLE DAY ON SEPTEMBER 11, 2021

Inspired by the Government of Gujarat's Student Start-up and Innovation Policy (SSIP), Karnavati University undertook the rigorous task of producing and filing 156 IPs of different innovations by students and academicians – all in a single day on September 11, 2021. The record number of IP filings was the fruit of the challenging work and ingenuity of at least 144 student teams and 20 faculty members at Unitedworld Institute of Design (UID), which is affiliated with Karnavati University.

The 156 filings, which underwent three stages of vetting, include seven patents, 77 design IPs, 59 copyright filings and 13 trademarks, among others. The IPs filed were themed around mobility design, automobile and transportation design, global design, fashion design, textile, visual communications, product design, interior design, lifestyle accessories design and animation and motion graphics.

The felicitation ceremony was organized to celebrate the intellectual achievement of students and faculty members and the academic community of Karnavati University. The entire exercise was facilitated by Mr. Jaideep Bannerjee, Head of Incubation, Karnavati University.

The journey began six months back when a team of students and faculty members, led by Col. Surojit Bose, Prof. Jayanti Panchal and Mr. KK Singh undertook the ambitious task of preparing for filing IP under various categories such as Patent, Design, Copyright and Trademarks."

Karnavati University's ignited minds were motivated by Shri Ritesh Hada, President of the varsity. Apart from several hours of laboratory and studio work, the team was further prepared and coached through series of workshops organised by the varsity including one on one mentoring sessions with the Vice-Chancellor, Dr. AKS Suryavanshi.

Karnavati University plans to continue supporting student innovations by facilitating research and development, design, and product development. Karnavati University believes that the journey towards innovation has commenced well and needs to have a constant pursuit for excellence to create Intellectual Property instruments – which is now its renewed mission.

Karnavati University (KU) has made a record of 156 Intellectual Property (IP) filings, under various categories - Patent, Design, Copyright and Trademarks, and the University is acknowledged as “**IP Emerging Campus (Non-Legal) of the Year**” by the **IP HALL OF FAME HONOURS 2021** from **IPPO – Ahmedabad Chapter** on 30th Sept 2021, at Hotel Novotel, Ahmedabad.

The award was received by Mr. Jaideep Banerjee, Head of Incubation, Karnavati University.

It is a testimony to the collaborative learning and education spearheaded by Shri Ritesh Hada, President of the varsity along with Dr. AKS Suryavanshi, Vice Chancellor (Provost), KU and students and faculty members, led by Col. Surojit Bose, Prof. Jayanti Panchal, and Mr. K. K. Singh of UID.
