Dear Student,

As Part of the University's effort to provide the most effective and relevant UG and PG programmes, we would like to hear your perspective on a number of topics. While completing this survey, please try to consider your overall experiences, rather than focusing up on a single aspect. There is no right or wrong answer to any of these questions so the first response that comes to mind is likely also the best response.

We thank you for your help in this process and we wish you success and fulfilment in your future endeavours.
